From Münster Central Station: During the day take the bus line no. 13 (via “Technologiepark”) or no. 2 (via “Alte Sternwarte”) and get off at the stop “Mendelstraße”, cross the “Corrensstraße” and get onto “Heisenbergstraße” some meters further to your right.

### by plane

The local airport is Münster-Osnabrück (FMO), approximately 30 km from CeNTech. There are public transfer bus lines from the airport to Münster Central Station (twice an hour during the day). We recommend using a taxi (about 55 €) to go directly to the CeNTech.
